

# ABCD Hormone Measures Fireside Chat, Roundtable, and Networking Event

**When:** Friday April 2, 2021 at 4:00-5:30pm PDT

**Who:** If you are excited to chat ABCD pubertal hormones and related measures on your Friday night, then we want to meet you!

If you are already, or are planning on working with ABCD hormone and related measures in ABCD, then is specifically designed for you.

**What:** Round table discussion followed by networking mixer

**Panelists:** Megan Herting, PhD, Theresa Cheng, MEd,  
Marybel Gonzalez, PhD, Kristina Uban, PhD  
**Moderated** by Megan Patterson, PhD

**Where:** Virtual Fireside <https://ucdenver.zoom.us/j/99919129777>  
\* Feel free to join us in using a fireside image as a virtual background \*

**Why:** To foster a collaborative, synergistic and productive scientific community around ABCD hormone and puberty metrics!

**RSVP:** <https://forms.gle/VUhNbFvCmL4iqBW79>  
\* Limited to the first 100 respondents \*
